Atwater Teen Advisory Council

The Atwater Recreation Department and the Police Activities League is looking for youth ages 12-17 who would like to become part of the Atwater Teen Advisory Council. As a member you will discuss and recommend effective ways to get other youth to join Atwater programs, as well as make important decisions about policies, programs and activities. So what's in it for you? Well... As a member of the program, you will be able to have these dedicated hours signed off as Community Service hours which can earn you a red cord at graduation! You will also be looked upon as a positive peer role model in the community and learn vital skills you will be able to take out into the world and use. To join, contact Recreation Supervisor Dan Barton or Officer Hoffar , or simply stop by the meetings located at the Atwater Community Center every 1st and 3rd Tuesday of the month at 6:30pm.
